Assignment #1:

This assignment goes along with your pinhole, camera obscura and photogram assignments. Those will all count towards your grade. This will as well. I would like you to research an early photographer. You will choose one from a list of photographers and you will write a paragraph about what they did that was innovative in the field of photography as well as show a few examples of their work.

You can present the work in any format but you must present it to the entire class. Presentation is 5 min long.

**This is due September 12th.**

**Breakdown of Grading:**

**pinhole: 25 %**

**photogram: 25%**

**camera obscura participation: 25%**

**photography research project: 25%**

## **List of Early Photographers:**

Julia Margaret Cameron

Antonio Beato
